

Introducing the

IDB Group

May 2021

Introducing the IDB Group

Improving lives by investing in the region's **public** and **private sector**.

We work with national and subnational governments as well as with NGOs

2020 Approvals:

\$12.6
billion

We work with large corporations, financial intermediaries, micro, small and medium sized enterprises and with entrepreneurships financed fully or partially by governments

2020 Approvals:

\$9
billion

We design and finance pilot projects with the private sector to test new approaches that can generate economic opportunities

2020 Approvals:

\$108
million
